Why Attend?

In an amazing gesture to the numismatic community, a group of coin dealers & related companies with a passion for panda coins will be hosting the dinner. The Key Sponsors and a few fellow supporters are heavily subsidizing Ami Vitale and all that entails bringing this event to you.

We don't always have time to learn about the images on our collectibles. There is so much more beyond the surface quality of the coins, beyond the mintage figures, and beyond the "fun of negotiating prices" for our beloved panda coins. And let's not forget the camaradery!
